##### 2. Bussing: (Children coming on buses before duty in the am and at school late in the afternoon).

- ✓ Administration working with Stock on bus times.
- ✓ Terri will follow up with Bill Horne concerning path from George P to Ash Lee.

### New Business:

#### Principal Report:

- Lynn Mills described our new floating teacher's role: S. Pointon was hired to support the classrooms overcap.
  - 1/2 MacFarlane, 2/3 Reed/Chapman, 3 Hobbs, 5/6 Burgess/Marshall, 5/6 O'Hearn, 6 Munroe
  - S. Pointon co-teaches in the classroom, works with little groups in class, and supports math in the upper elementary classrooms.
- Year one of SSP (Student Success Plan)

Staff collaboratively created a literacy and Math goal for year one SSP using classroom data and provincial assessment data.

Staff had their final meeting on November 04<sup>th</sup> : At the meeting Staff finalized the strategies planned for both math and Literacy goals.

## **MATH**

**We will improve student achievement in the area of number sense with a focus on representing and partitioning numbers.**

Teachers planned strategies that support instruction, assessment and teacher collaboration

## **WRITING**

**To improve student achievement in writing with a focus on ideas and organization.**

Teachers planned strategies that support instruction, assessment and teacher collaboration.

These goals and strategies are fluid.

## **UPDATES:**

- Six upper elementary classes went to Milk Fair which gave good exposure to different sports
- Grade 6s went to We Day (55 kids) very inspirational - music, speeches.
- Our Grade 6 leadership/ WE team Just finished WE scare hunger – great participation
- Cross Country Running club: Led by Administration and Mr. and Mrs. Maclean. Bit of a late start so only attended 2 runs. Kids really enjoyed
- Remembrance day assembly Thursday – All welcome, military families
- Christmas concerts – dates in Newsletter

## **Next meeting**

January 6 2020
